## PROFILE INFO

As a highly skilled front-end developer with 2 years of experience, I am passionate about building modern, responsive, and user-friendly websites and web applications. With expertise in HTML, CSS, JavaScript, and React, I have a proven track record of delivering high-quality projects on time and within budget. I am a proactive problem solver who thrives in fast-paced and collaborative environments.

## WORK EXPERIENCE

**Junior Web Developer**
**Quansah's Arts**

Front-End Developer Quansah's Arts June 2019 - Present

- Develop and maintain responsive and accessible websites using HTML, CSS, and JavaScript, adhering to web standards and best practices.
- Collaborate with designers, developers, and project managers to produce high-quality websites and web applications that meet client requirements.
- Implement and maintain website functionality, including user interfaces, navigation, forms, and multimedia content.
- Optimize website performance through code optimization, image optimization, and page speed optimization techniques.
- Debug and troubleshoot issues with website functionality and user experience, providing timely and effective solutions.
- Keep up to date with industry trends, new technologies, and emerging best practices in front-end development.
